# DBMS Project
DAIRY MANAGEMENT SYSTEM

Team Members:

Kartik Kumar Garg (2020mcb1240)
Niraj Kumar (2020mcb1243)
Rishi Nayak (2020mcb1246)
Milind Rathore (2020mcb1240)

ER Diagram

Member Contributions

We discussed the topic details and with the help of TA we finalized our topic to be Dairy Management System. We discussed the ER diagram and then started working on the project. Mostly the different portions were done by discussion among ourselves. Below are mentioned the areas where contributors worked majorly.
Below are given major work of individuals, however individual members worked on other parts also.
Kartik: Dealt with Stored Procedures, functions and CLI connections and also in other parts.
Niraj: Worked on triggers and organizing folders and files.
Rishi: Table formation and manipulation and functions.
Milind: Worked on CLI and converted sql file with CLI.
